

Vanni Hope

Celebrations that touch the Heart

Make any special event like a birthday, an anniversary of marriage and a memory of a loved one even more memorable through the act of sharing with others

Vanni Hope sponsors have the opportunity to make their special day more fulfilling by funding a meal for people living in underprivileged, impoverished communities in rural Sri Lanka.

You can help provide whole day meals for children both boys and girls being cared in Children's Home and an elders home.

Providing meals for a day to any one of these groups can be organised by our local partners. Vanni Hope can facilitate the sponsorship for special occasions from A\$ 215

(Rs 30,000 / US\$ 160 / UK£ 125 / CAD\$ 200)

Please note that all donations in Australia are Tax Deductible.
